

# mobile era

**We would like to thank you for being a speaker at this year's Mobile Era conference.**

**As a token of gratitude, we would like to present you the "tower cake" or kransekake as it is known in Norway**

Kransekake is a traditional Norwegian cake which is consumed at special occasions such as Christmas, New Year's Eve, Constitution day among others. The kransekake rings are made of almonds, sugar and egg whites with white icing on top.

We hope that you will enjoy and share this little part of Norway with your friends and family.

Ingredients: Almonds, Egg whites, Icing Sugar & drops of Lemon. Gluten Free. Store in freezer at -18 °C or lower right before use, which keeps it fresh. Defrost for about 20 minutes. Should always be covered when stored in the refrigerator. Dries after some days at room temperature.
